

Allen's Wall Paper Trimmers

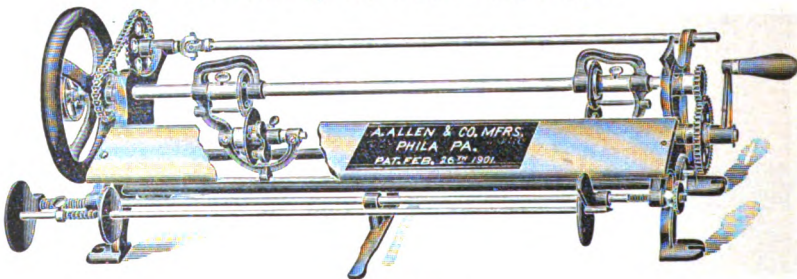

PATENTED

Single Edge Keystone Trimmer

This machine trims one edge at a time and cuts the widest margin, will trim full 22-inch paper. There are over 15,000 in use in the United States and Canada, which is the living endorsement of their merit.

CAPACITY, 100 ROLLS AN HOUR

PATENTED

Eclipse Double Edge Trimmer

The above machine has been recently patented, and, as its name implies is a perfect "Eclipse" in the Trimming Machine line. It trims up to 22 inches, all grades from the flimiest pulps to the heaviest reds and dark papers, leaving a perfect clean edge from beginning to end, which can be butted equal to first-class straight edge job.
